Winning The Centre Charity of the Year 2017 means that we have been granted 24 days of complimentary training which is a wonderful gift to enable us to continue to grow and develop.

We are a finalist in the Care Sector of The Kent Charity Awards 2017, the aim of these awards is to showcase the hard work and perseverance that charities and voluntary groups undertake to make the lives of others better. We are looking forward to the Award Ceremony in March where the winners will be announced.
